A WONDERFUL CARD

THE SAME ALL DAY LONG

Read this after
you read all the
way through this
chapter! ☆

It's a
penetration!

I tried making up my
own column like the
ones mentioned in the
chapter, and this is
how it turned out.

You don't see them
too often, in shounen
manga, but they're a
pretty popular occur-
rence in shounen.
They're called all
sorts of things, but
"1/4 space" and "1/4
column" are pretty
common.

This name comes from
the fact that they're
one-fourth of the page
in width.

By the way, when it
comes to extra material,
there are up to six of
these columns, plus two
to five blank pages. So
that means, if you try
to fill all of that up with
recent events, you'll run
out of material really
quickly! If someone
starts talking about
their work, well...
please just understand.

*But how
many
volumes
do you
think are
actually
out?*

*...there
are
currently
supposed
to be four
volumes of
Let's Fall in Love
out right
now!*

*Ken-
san...*
